Develop Your Bust in 15 Days

A Full Firm Bust Is Worth More to a Woman Than Beauty

I don't care how thin you are, how old you are, how fallen and flaccid are the lines of your figure, or how flat your chest is, I can give you a full, firm, youthful bust quickly, that will be the envy of your fellow-women and will give you the allurements of a perfect womanhood that will be irresistible. They say there is nothing new under the sun, but

I have perfected a treatment that I want to share with my sisters.

What it did for me it can and will do for you, and I now offer it to you. Others offer to build up your figure
